1. ACCEPTANCE

THE TERMS AND CONDITIONS CONTAINED HEREIN APPLY TO SALES OF GOODS OR SERVICES BY ARIES ENGINEERING COMPANY, INC., A MICHIGAN CORPORATION ("ARIES"). ANY ADDITIONAL, DIFFERENT, OR CONFLICTING TERMS OR CONDITIONS ON BUYER'S PURCHASE ORDER, SPECIFICATIONS, OR OTHER DOCUMENTS ISSUED BY BUYER SHALL BE WHOLLY INAPPLICABLE AND SHALL NOT BE BINDING IN ANY WAY ON ARIES. ACCEPTANCE OF BUYER'S OFFER IS EXPRESSLY MADE CONDITIONAL ON BUYER'S ASSENT TO THE TERMS AND CONDITIONS CONTAINED HEREIN. NO WAIVER OR AMENDMENT OF ANY OF THE PROVISIONS CONTAINED IN THESE TERMS AND CONDITIONS SHALL BE BINDING ON ARIES UNLESS MADE IN A WRITING EXPRESSLY STATING THAT IT IS SUCH A WAIVER OR AMENDMENT AND SIGNED BY AN OFFICER OF ARIES.

2. PRICES

The prices for products and services covered hereunder shall be those agreed upon between the parties; provided, however, that if such prices are based on the purchase of a particular quantity of products and Buyer fails to purchase such quantity of products, Aries shall have the right (in addition to any other remedies available at law) to collect from Buyer the difference between the price paid by Buyer for the products purchased and the price for such products commensurate with the quantity actually purchased by Buyer. If the price of freight, metals, raw materials, or other production costs increases significantly, then Aries shall have the right and Buyer shall have the obligation to renegotiate prices on all products. Unless otherwise agreed upon between the parties, the prices stated herein do not include any sales, use, gross receipts, or similar taxes or customs duties. Buyer shall pay, in addition to the prices stated, the amount of any such present or future taxes and/or customs duties applicable to the sale of products or performance of services, or in lieu thereof, Buyer shall supply Aries with an appropriate tax exemption certificate.

3. TERMS OF PAYMENT

a. All orders under \$10,000.00 are Due Net 30 Days. Orders over \$10,000.00 require "Progress Invoicing". Standard "Progress Invoicing" terms are 40/30/30 (3 payments) – 40% Invoiced Upon Design/Drawing Approval, Due Net 15 Days (Invoice Upon Receipt of Order if No Drawing Approval is required); 30% Invoiced 30 Days Prior to Shipment, Due Prior to Shipment; 30% Invoiced at Shipment, Due Net 30 Days. All payment terms are subject to change if explicitly stated by Aries. All amounts past due shall incur interest at the rate of 1.5% per month or the highest rate permitted by law, whichever is less. All payments shall be made to Aries at the address specified on the front of the invoice. If products or services covered by these terms and conditions are not delivered or performed at one time, Aries may invoice for the quantity of products delivered or services performed. Each shipment shall be considered a separate and independent transaction.

b. Aries reserves and Buyer hereby grants Aries a security interest in all products sold to the extent of all invoiced amounts. If Buyer defaults under any obligation hereunder, Buyer agrees to make products available so that Aries can repossess them without a breach of the peace. Aries has the right to file a financing statement evidencing its security interest in such products. Upon Aries' request, Buyer will execute any documents to perfect Aries' security interest in any products.

4. CANCELLATIONS

Cancellation charges for orders may apply after an order confirmation is provided. For non-expedited orders, charges may be applicable after twenty-four (24) hours from order confirmation. For Expedited orders, charges may be applicable after eight (8) hours from order confirmation.

a. If the order is cancelled prior to the Design Approval, but after the Purchase Order is issued, only Engineering Time would be involved and thus no Material Costs have been incurred. The Billing Rate for Engineering is \$110 per hour. The total cancellation amount owed is dictated by the number of hours spent on Engineering time up until the On-Hold date or completed Cancellation date. This is non-negotiable.

b. If the order is cancelled after the Design Approval but prior to shipment to the customer, the customer is responsible to pay for all Manufacturing Costs, Materials Costs, Engineering Time, and Administrative Time. The total amount owed is at the discretion of Aries in which the calculation will be tabulated based on the number of days since the release date of the Drawing Approval, the number of hours allocated into Production and Engineering, along with Material Costs used that are non-returnable or reusable.

c. If the order is cancelled after shipment to the customer, the customer is responsible to pay for the full amount of the Purchase Order price including all logistics costs.

d. If customer wishes to return the product after it ships, 100% payment must be accepted first. A Restock charge agreed to by both parties could then be issued as a credit at the sole discretion of Aries. If product(s) is(are) not returned to the company or the 100% payment is not paid, Customer will be liable for any ensuing legal costs due to enforcement under Michigan law.

5. TITLE AND DELIVERY

a. All shipments by Aries are FOB Aries' facility. Title and risk of loss or damage to products shall pass to Buyer upon delivery to the common carrier at Aries' facility, or, if applicable, Aries' subcontractor's facility.

b. Buyer shall provide for appropriate lead time on each order. Buyer acknowledges and agrees that the delivery dates are estimates only. Aries will use commercially reasonable efforts to deliver in accordance with the delivery dates, however, Aries will not be liable for failure to deliver as estimated.

c. If Aries' ability to supply products becomes constrained, for any reason whatsoever, then Aries may reduce quantities, delay shipments, or allocate products among its customers at its discretion.

d. Buyer may not cancel, accelerate, or delay any purchase order placed with Aries.

6. MACHINE/PRESS RUN-OFF

No products may be returned to Aries without Aries' Returned Material Authorization form. Prior to any return of products by Buyer pursuant to this Section 5, Buyer shall afford Aries the opportunity to inspect such products at Buyer's location.

c. The performance of this warranty does not extend the warranty period for any products beyond that period applicable to the products originally delivered.
